Used to be a joke had two parts: the set-up and the punchline. Not with today's comedians! To see what we mean, just imagine...

IF DIFFERENT COMEDIANS TOLD THE SAME JOKE (There's a fly in my soup...)

WRITER **RUSS COOPER** ARTIST **MORT DRUCKER**

GEORGE CARLIN

Went to a restaurant... weird, man. Got a fly in my soup. Why do they call flies "flies," man? Ever wonder? I mean birds fly too, right? The weird thing is that flies don't fly that much. The flies I see, they crawl all the time. *(New York voice)* "Gee, Martha, dere's a crawl in my soup." Why do they call fleas "fleas"? What are they running from? Are they fleeing the soup? Then don't order scary soup, man... After all, what is soup but just a bowl of wet food... right? I don't trust soup anyway. Soup is food right before you throw it away... Soup is food's last chance to get eaten... I figure, if it ain't been eaten by now, let the flies have it, man! *(Makes a real goofy face, then leaves stage)*

ROBIN WILLIAMS

What's this fly doing in my soup? Wow! Fly in my soup? What a concept! *(Peter Lorre voice)* Oooh myyy! Tere's a flyyy een my sooop, massster! *(Herve Villechaize voice)* Ze fly, Boss! Ze fly! *(Elmer Fudd voice)* Kill du fwy... Kill duh fwwwwy... *(Regular voice)* Fly in my soup! I want to DIE! *(High-pitched voice, as in the movie "The Fly")* Help me! Help meee! *(Liz Taylor voice)* There's a what in my soup...? A fly? Only one? *(Panicky voice)* BEEP BEEP! MAYDAY! MAYDAY! *(Unintelligible)* I mean... it's crazy... fly in my soup... I mean, it's like Nancy Reagan on steroids! Just say NO! *(Incoherent babbling)*

DAVID LETTERMAN

But you know... Ye-ah! What's next? What are we doin'? Oh, a joke? Do we have time for this, Paul? Hey, Paul... are you paying attention, Paul? Should we do this one or not? It's up to you, Paul. (*Audience groans, annoyed*) Okay... Uh oh! (*Goes bug-eyed*) I been hyp-mo-tized!! Don't know why I said that, I just like saying the word "hyp-mo-tized." Ye-ah! But you know... (*silence*) Did you hear that, Paul? Silence. Sort of a "comedy lull"... We're just coasting, right Paul? A little breather between jokes. Just saving our energy for the... you know, Paul, I went to a restaurant the other day, don't want to name the restaurant, but it was (*NBC lawyers bleep out name*), and I don't want to say anything, just... don't order the soup, okay? That's all I'm saying. So here he is, you know him, you love him...

RODNEY DANGERFIELD

Hoo... heh... I'm tellin' ya... Went to a restaurant. Tough place, really tough... the black-eyed peas had real black eyes! (*Tugs on tie, rolls eyes, starts to perspire*) I asked the waiter what was on the menu. He said he thought it was tomato sauce... Like I tell ya, I get no respect. (*Thunderous applause*) I asked for the chicken soup. Big mistake. There was a fly in it. (*Yanks tie, eyes bulge, sweats heavily*) I asked the waiter why there was a fly in my soup. He said it wasn't a fly, it was a very small chicken... No respect, no respect at all. (*Wrenches tie, eyes spin wildly, sweat sprays onto audience*)

SAM KINISON

Yeah... I went to this restaurant the other day... ordered some soup... there was a fly in it. Waiter asks me what's wrong. I say, "Ooooooh, nothing. Just that there's this FLY IN MY SOUP! I CAN'T BELIEVE IT! A FLY IN MY SOUP!!!" AAARRRGHGHGH! I'm sorry if I seem a little upset, but excuse me if I'd rather not be served a meal with LIVE MEMBERS OF THE ANIMAL KINGDOM SWIMMING AROUND IN IT! AARRRRRGHGHGH! Call me crazy, but if I wanted to consume insects as part of my daily diet I'D GET MARRIED AGAIN! I WAS IN 'NAM! I WAS MARRIED FOR TWO YEARS! I WAS A HOSTAGE IN HELL FOR TWENTY-FOUR MONTHS! AAARRRRRGHGHGHGHGHGH!" Thank you. You've been great.

DANA CARVEY (As the Church Lady)

So...I went to the restaurant from hell and ordered soup...and there was this teensy weensy little teeny tiny fly in my soup...and I said, "Oooh...a fly in my soup...isn't that CON-VEEN-IENT!" I went up to the waiter and I said, "My, my, my...a fly in my soup...a little beastiality buffet for the customers, hmmm? A little sin soufflé, eh? Gee, I wonder who could have put that fly in my soup...hmmm, I wonder...the chef, maybe?...No...the Campbell's Kids, perhaps. I wonder...who could it possibly be...Oh, I don't know...maybe...SATAN!?!?" So then I said, "You look a bit nervous, Mr. Waiter...feeling a little prickly heat in your bulbous tipping region? Hmmm? Why do you call yourself a 'waiter,' anyway? What exactly is it you're waiting for? Could it be, oh, I don't know...let's see...let me guess...oh...perhaps...SATAN?! Isn't that special!" So I said a little prayer against the restaurant and did my little superiority dance just like this...Hit it, Pearl!

(Music begins, he/she dances weirdly off stage)

STEVEN WRIGHT

...mumblemumblemoan...I heard about this restaurant...had reservations...but I went anyway. I ordered soup...they brought it to me, and it had a fly in it. I was so depressed...I had ordered moth...mumble...I wonder if flies hate it when they order soup and they get a human in it...I know I do. Of course, I couldn't eat him, so I took him home as a pet...named him "Buzz"...funny thing is, he named me the same thing...mumblemumble...I feel bad, though...he wears glasses, and my friends always make fun of him...call him "400 eyes"...mumble...he got so depressed he tried to commit suicide...came home one day, found him with his head stuck in a no-pest strip...But they do make great pets...they just need a litterbox...and one piece of litter...I love my pet fly...he makes me so happy...I almost had a facial expression...mumblemoanmumblemumble...

YAKOV SMIRNOFF

What a country! Went to American restaurant. There was a fly in my soup. In Russia, fly in soup is considered two-course meal!

What a country! Restaurants are nice here. It's different in Russia. Russian restaurant doesn't have waiters. Customers are the waiters. Waiting for food! What a country! In America, it's great. American people are lucky to have enough soup for fly to get wet in. In Russia, fly is lucky to get damp!

What a country! You leave tips here in America...In Russia, you don't want to leave tips...you just want to leave! What a country! What a country! What a (etc...)

Comedy is a tough business. Take it from us — as a comedy magazine, we know a thing or two about comedy! Actually, we know just a thing about comedy — that it's a tough business. We also know that stand-up comedy is *particularly* tough! Okay, so technically, we know roughly one-and-a-half things about comedy. Still, in an effort to learn more, we fully intend to read...

MAD'S 12 SUREFIRE TIPS FOR STAND-UP COMICS

WRITER JEFF KRUSE

ARTIST RICK TULKA

COLORIST RYAN FLANDERS

1 Keep all political humor current

2 Observational humor only works when it hasn't been observed 73 trillion times before.

3 Remember the cardinal rule of comedy: "Brevity is the soul of wit."

- 4** Carve out a unique niche for yourself that no one else has tried.

- 5** Leave the feminine comedy to women.

- 6** It's possible to be too creative

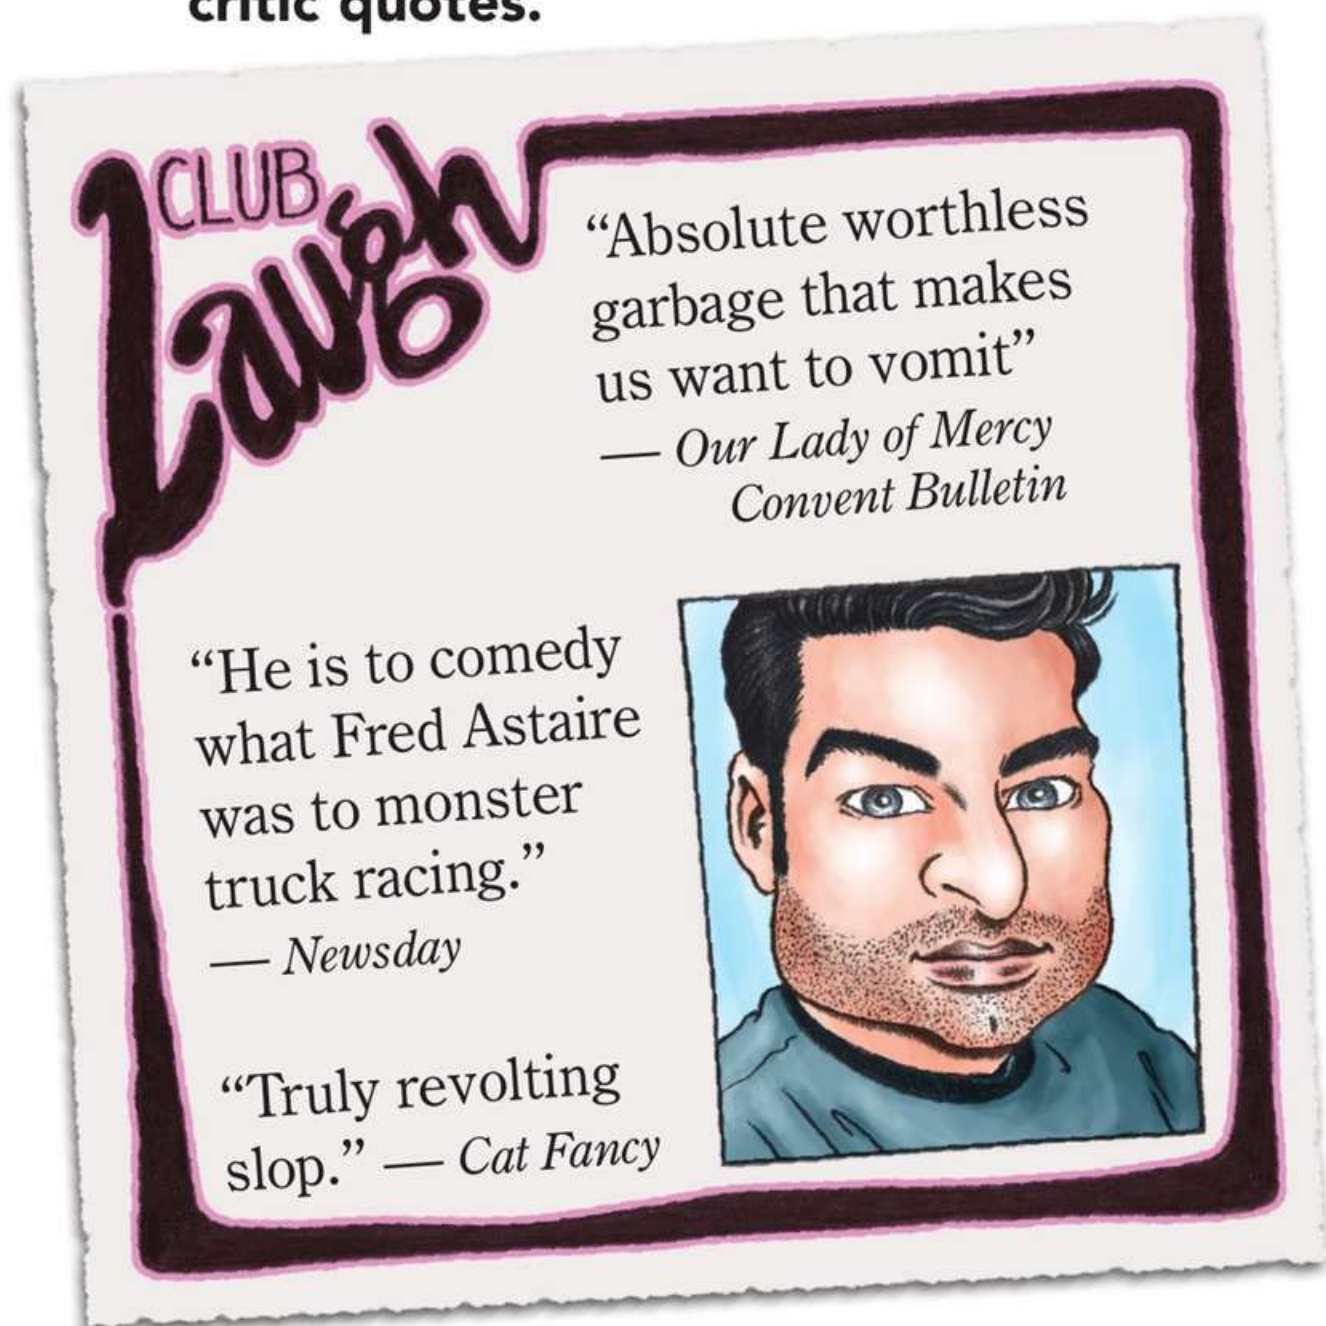

- 7** Racial jokes are racial jokes, no matter how you try to soften them.

8 Don't underestimate your audience's intelligence.

9 When advertising for your show, it's generally best to only include positive critic quotes.

10 Simply throwing out pop culture references with no context isn't going to work.

11 Self-deprecating humor is usually successful, but don't go overboard with it.

12 Doing comedy for a cause is great, but choose the cause carefully.

Remember those old "Practical Joke Catalogs"? They were filled with such hilarious people bought these ridiculous items to play practical jokes on each other. Well, today's "tricks." What we need now is some dull new "tricks." So we assigned our "Dull New

MAD'S UPDATED PRAC

THE "DEAD TV SCREEN" PLOY

Phony Opaque Plastic Screen with a "Please Stand By" message printed on it comes in all popular sizes and unrolls to fit perfectly over any TV screen.

Carrying Phony Screen rolled up in your pants leg, drop in on a neighbor who is an avid sports fan when you know a big game is on and ask to borrow something.

THE "EMBARRASSING \$20 BILL" JOKE

Fake \$20 Bill (with waterproof adhesive backing) can be attached easily to any toilet bowl by first draining water and then pressing firmly in place.

Dinner guest goes to bathroom, sees a \$20 bill in toilet bowl and eagerly tries to remove it from bluish water.

After failing to remove the bill, he goes to wash blue dye off his hand and discovers that there's no soap.

Finally, realizing there is no way to get the blue dye off, guest decides to keep his hand in his pocket all night.

Later, at dinner, Practical Joker Host will get a big kick out of watching all his guests eat their food with one hand.

s gimmicks as rubber chickens, hot gum, dribble glasses, and whoopie cushions...and s practical joker is faced with a big problem. Mainly, everyone is wise to those dull old v Trick Writer-Artist, Al Jaffee, to design some inventive items for:

ETICAL JOKE CATALOG

WRITER & ARTIST AL JAFFEE IDEA DIANE RICCOBENE

When neighbor leaves, quickly slap Phony Plastic Screen on TV, turn down sound, and leave when he comes back with the item you're borrowing.

Avid sports fan will return to TV and watch phony message with ever increasing anxiety as time passes and nothing seems to be changing.

Then, when he starts switching channels and discovers they're all on the blink, he'll probably kill himself or do something else that's real funny.

THE "UNLIGHTABLE BARBEQUE BRIQUETTES" GAG

Asbestos-Covered Barbeque Briquettes can be used to test the patience and emotional stability of any would-be backyard chef with amusement.

Bored barbeque guests sit around, miserable and hungry, as their desperate chef-host attempts to light briquettes to start cooking.

Great fun can be had by watching as chef-host resorts to using crushed newspapers, kindling wood and anything else around that can be used to get the %\$#@+&! fire started.

For extra fun, time with a stopwatch to see how long it takes for frustrated chef-host to finally sacrifice his pride and wallet, and take entire party to a restaurant.

THE "FORGOTTEN CHECKED COAT" PLOY

Old Coat with Limburger Cheese wrapped in gauze and sewn into lining can be used to play hilarious practical joke on an unsuspecting check room attendant.

This joke works best in a restaurant where the service is lousy, and the people are nasty. Merely check the coat, and then, somehow, manage to leave the place without it unnoticed.

THE "SCORCHING STEAM IRON" JOKE

As everyone knows, steam irons are supposed to be filled with distilled water.

The joke here is to fill the bottle of distilled water in the laundry room with special "Scorching Dye."

When a laundress uses the iron to press any clothes, the "Scorching Dye" is released as steam, and the results are truly horrifying.

Huge scorch mark is produced on the garment being ironed. Of course, it's only a joke, because the dye washes out with water and the laundress will share in the fun after she recovers from her heart attack.

THE "EVER-BLEEDING BAND-AID" TRICK

This practical joke works best on a victim with a minor wound.

THE "FROZEN WATERBED" GAG

In a couple of weeks, the Limburger Cheese will begin to rot through the gauze wrappings, filling the Check Room and the entire restaurant with an unbearable disgusting yechy odor.

Specially made "Quickly Dissolving Capsule" fits neatly into "fill plug" of any waterbed.

Unplug waterbed, insert and shut. Releases a special "freeze chemical"—the same found in athlete's ice-packs. Fun begins when occupants of waterbed awake to find they've been sleeping on 1500 pound iceberg.

THE "FIREWORKS ASH TRAY" EFFECT

ASHTRAY MOLDED OF TEMPERATURE SENSITIVE EXPLOSIVE PARTICLES

Ordinary-looking Ash Tray consists of specially-treated temperature-sensitive explosive particles pressed into the shape of an ash tray.

As smoker places cigarette into ash tray, miniscule explosive particles cling to it.

When smoker takes cigarette back from ash tray, nothing apparently is wrong with it.

But as smoker drags on cigarette, increased temperature is now enough to ignite highly-explosive particles, creating lots of laughs and good fun.

Victim tightens and squeezes trick band-aid around finger.

Squeezing bursts fragile bubble, and dye begins to run like blood.

Fun is in seeing victim use one phony strip after another while screaming, "Help, I'm bleeding to death!" 17

THE "MONSTER IN THE FISH TANK" EFFECT

Trick Fish made of thin, opaque, toy-balloon-type material with a neatly-concealed fill hole under its dorsal fin is used in this practical joke.

With the fin removed, the Fish is filled with a special chemical that is affected in a rather curious and marvelous way by mixing with water.

When visiting any place with a fish tank, this trick is always good for some hilarious fun. Jokester simply sneaks Fake Fish into the aquarium.

Once in the water, tiny capillaries in Fish's belly suck water inside where it combines with chemical to produce a "Slowly Expanding Gas".

After a while, the Trick Fish gets so huge that water starts sloshing out of the fish tank... along with the other rare fish. Astonishment on everyone's face soon follows, to the great amusement of the practical joke's perpetrator. (Note: This hilarious trick is equally effective in swimming pools and lakes.)

THE "TALKING TOILET" DEVICE

ORIGINALLY PUBLISHED IN MAD #233, SEP 1982

Ordinary toilet seat (A) is removed and replaced with "Talking Toilet Seat" (B).

Heart of this practical joke is toilet seat with built-in tape player and speaker (shown above). When user sits down, pressure switch activates tape player, and the fun begins.

Unsuspecting Victim enters bathroom to use the toilet.

Victim's weight on toilet seat turns tape player on.

Victim is shocked to hear muffled voice from toilet.

Joke-player can record any funny message or sound like the list shown at the right.

- A— "PH0000ZZZZ!"
- B— "Help... I'm drowning!!"
- C— "Charlie, are you sure this is the way out of the 42nd Street sewer?"
- D— "Hey, why did it suddenly get so dark in here?"
- E— "Attention, all cars!! Emergency! Emergency!! A disgusting, slimy, thirty-foot Python is loose in the streets, and was last seen entering a city sewer!!"
- F— "Pardon me, lady, but have you seen Jacques Cousteau up there...?"

BUT IT PLAYED ON PLUTO DEPT.

ZORGOG'S LAFF STOP

ORIGINALLY PUBLISHED IN MAD #10, DEC, 2019

DISASTERS OF THEIR OWN DOMAIN DEPT.

One of the hottest shows on T.V. revolves around a comedian and his pals "exploring" taboo topics. To them, everything is fair game! Masturbation, rare diseases, nose-picking--every episode is totally...

SW

So I said to him, "Senator Packwood, are you the Master of your Domain?"

It's truly amazing that such a small audience can generate so much laughter!

It may be a small audience but it's a big laugh track!

Don't you think this show is a little too Jewish?

Tell me, Kramer, what's your first name? Or last name? Whatever!

Kramer! I once had a first name, or maybe it was my last name! It was sewn on a label in my old camp undershorts, but they got lost in the laundry!

I'm still wearing my camp undershorts! Maybe there's a label that'll say if Newman is my first or last name!

I come on as a real **horny**, man-crazy **ditz**! But I'm **not**! Don't you have a **different sex partner** every night of the **week**?

I guess I would if I had **seven vibrators**!

Dan Rather! Are you the **cameo guest star** for this episode?

Why not?

George, come back home to live with us! We can't take the chance of your having to rely on the kindness of strangers!

We're your parents! If we treat you with contempt and loathing, imagine how strangers are going to treat you!

DRUCKER

inefilled

To watch young adults concerned with nothing other than their careers and having sex is kinda fun, don't you think?

Not when you realize that these same morons vote in elections!

Which stereotype do you mean?

That Jews are smarter than other people!

Not at all! It helps contradict the old stereotype!

No, I'm here to do a CBS Reality Check on this show! First, let's try to settle just where reality lies! Is Jerry supposed to be Jerry Seinfeld, the very successful comedian with his own TV show, best selling book and American Express commercials? Or is he just playing a character named Jerry Seinfeld who's only a semi-successful comedian? And isn't the show, which claims to be a true slice of New York life, shot in Los Angeles?

Hmmm, you really got your work cut out for yourself, fella!

Okay guys, what do you want to do?

I know! Let's go to Kramer's pad! No one's ever actually seen it even though he lives across the hall!

Nah! Let's try to top some of the really tasteless adventures we've had, like the time we made fun of the boy in the bubble, or the deaf-mute, or the paraplegic, or those helpless elderly people! They were riots!

Can we talk about the girl I met the other day? We might be having a relationship!

A meaningful relationship?

I've never had a meaningful relationship!

Good! Since we've never had a meaningful discussion about anything meaningful, we can talk about it!

WRITER STAN HART ARTIST MORT DRUCKER

You're so seldom at the office! Perhaps book publishing isn't your line of work!

What should I be doing?

Well, considering your absentee record, you might consider being in congress!

Hi, Elaine! What's new?

Nothing much!

Your Book, "Sein Language" was dumped as Number One on the Best Seller List and replaced by Howard Stern's book the minute it hit the bookstores!

Howard Stern again! First he embarrasses me on TV by asking about my 18 year old girl-friend! Now this!

Me again! If this were really the life of Jerry Seinfeld, Elaine, who works in the publishing world, would have told him exactly what was new...

THESE 5 PAGES ARE ABOUT ABSOLUTELY NOTHING!

Somebody's knocking at the door!

Who can it be? We're all here!

It must be our cameo guest star!

This Seinfeld Show is driving me crazy! Wherever I go, people want to know what Kramer, George and Elaine are really like! I'm at a loss to tell them because they exist only in your sitcom and not in real life!

I know what you mean, Jerry! People are always asking me about Julia Louis-Dreyfus, Jason Alexander and Michael Richards! But how should I know about them since they're real people with real lives and I'm only a fringe stand-up comic in this sitcom!

Hold it, fellas! Maybe I can straighten this out with a CBS Reality Check!

Yeah, sure! Like we'd trust a CBS biggie to help out an NBC show during sweeps week!

Which one said that, our Jerry or the other Jerry?

I'm getting a migraine headache! I've got to lie down!

At any given time, there are millions of people with colds! So where does all that mucous go? Maybe into our streams and rivers which feed into our water supply! And why isn't anyone worrying about that except me?

THE FASTEST ONE HALF HOUR ON TV.

Back in issue #329, MAD shocked the comedy world by introducing No-Joke Jokes, guaranteed laugh-getters that weren't really jokes at all. ("I come from a town so small, the hooker wore a helmet!") Joke-tellers around the world celebrated, but we still weren't satisfied! No, we pressed on, strove forward, stretching, stretching, stretching to break new comedic ground, to create a revolutionary new form of joke that doesn't require a punchline to generate big laughs! Unfortunately, we failed miserably, as you'll see for yourself after checking out these...

JOKE SET-UPS THAT DON'T NEED A PUNCHLINE

I'm Jerry Seinfeld, star of *Comedians in Cars Getting Coffee*. You know, the show with 5 minutes of interviews and 25 minutes of close-ups of espressos being made? Who says TV's out of ideas? Anyway, I ran out of comedians who drink coffee, but I'll never run out of comedians who get in trouble! So hop in! It's time for...

COMEDIANS IN CARS GETTING ARRESTED

Next time someone you know kicks the bucket make sure the only tears you shed are tears of laughter with these...

**Spring-Loaded "Reverse"
Grave Mechanism**

Instead of lowering the deceased into the ground, this spring-loaded device "malfunctions" by sending both corpse and casket catapulting end-over-end high into the sky – and perhaps over the cemetery fence onto someone's front lawn! Guaranteed to bring a few chuckles to even the solemnest of burial services!

NEW!!

HAHAHA!
HA

There's nothing more depressing than a dreary prayer printed on an official church card with some obscure saint. Luckily, you can add life (and BIG laughs) to dismal funerals and wakes with these hilariously inappropriate facsimiles!

HAHAHA!

Corpse's Squirting Carnation

A laugh riot on a living person, it's ten times funnier on a corpse! Attach the squirting carnation to the deceased's lapel and run the clear plastic tube with the squeeze bag down to the kneeling pad in front of the casket. Then just stand back and enjoy the show as mourner after mourner kneels piously for their final good-bye and gets spritzed in the face!

Butts Aplenty Ash Kit

Ideal for somber services in which the deceased has requested their ashes to be scattered in a grand natural setting such as a mountain, forest or ocean. Simply have an accomplice cause a distraction and add the full contents of the kit to the deceased's ashes. When the ashes are set free, you'll laugh heartily at the shocked faces and groans of disgust of the invited mourners as no less than 100 cigarette and cigar butts fall out! (Pipe paraphernalia and roaches sold separately.)

Hearse Bumper Stickers

Choose from offbeat messages like "BODY ON BOARD" and "I'D RATHER BE BREATHING" to the more outlandish "IF YOU CAN SMELL MY FORMALDEHYDE, YOU'RE TOO DAMN CLOSE!" and "I MAY BE DEAD BUT I'M IN FRONT OF YOU!" Mourners will be on the highway of laughter!

IT'S A RIP-OFF OF A POPULAR JAPANESE GAME AND TOY LINE. THE POINT OF *SMOKEY MON* WAS TO COLLECT ALL THE TOYS. IT WAS RUMORED THAT ONE IN A HUNDRED WAS STUFFED WITH A MAGICAL LEAF. IN REALITY, THEY WERE ALL JUST FULL OF SPIDERS.

BEANIE PREMIES

NOT THE MOST POPULAR LINE OF TINY STUFFED ANIMALS. MAYBE YOU REMEMBER THEIR SLOGAN, "TOO SOON!"

ARF (ALIEN RECTAL FIEND)

ARF WAS A TERRIBLE '80S SITCOM ABOUT AN ALIEN WITH AN APPETITE FOR FART JOKES, PARTIAL NUDITY, AND PIZZA. EACH EPISODE HE WOULD EAT A LARGE DOG AND POOP OUT ITS SKELETON. DOG LOVERS, USUALLY KNOWN FOR THEIR SENSES OF HUMOR, GOT THE SHOW PULLED AFTER ONE EPISODE.

MY LITTLE DONKEY

YECCH! I HATE THAT THIS THING IS EVEN IN MY GARAGE, BUT I THINK I GRABBED THE LAST ONE THAT DIDN'T GET SET ON FIRE AFTER THE BIGGEST RECALL IN TOY HISTORY. EVEN BRONKEYS—ADULT DUDES OBSESSED WITH THE SHOW—WERE DISGUSTED BY THIS ONE.

Please put on your headsets and let me, **Maria Bamford**, take you on a museum tour of some of the most famous works in art history! Ancient censors removed extremely important gestures in order to please more delicate tastes of the time. But I have restored these glorious...

STINK LINES

THROUGH ART HISTORY

That's right, nearly every important piece of art that has **ever** existed used to have big ol' nasty stink lines! Also, I've got a little gas, so breathe through your mouth—or get to **know** me better.

MRRRK... My butt just said, "Hail, Caesar!" to the kale Caesar I had... Ahem. **FIRST**, I present these hunting scenes from 16,000 BC, painted in the vibrantly dank caves of Pech Merle. **Behold** the putrid carcasses, seeming to **leap** at you! The artists were **cavewomen** with a stink-line vocabulary developed during prehistoric child-care duties. Too bad the humidity caused by mouth-breathing **cavemen** made them drip away! I have personally re-added these stink lines out of respect for the ancients.

PFFT

The Great Sphinx of Giza was believed to have been built between 2,558 and 2,532 BC...

UMF... keep a safe distance. I just went vegan this afternoon! This behemoth **Lion with Human Head** was believed to include a cat-like **litter box area**, but sadly, the litter box and vertically engineered stone stink lines were stolen by **Napoleon's army**, who thought they looked like french fries. **Poutine le merde!**

Here's a **Seurat**—known to his friends as **Seurat the Dot** for his **pointillism**! As an homage to his dog, **Le Stinque**, Seurat crafted this generalized waving effect.

OOPHI! I just DJ Khaleded that kale Caesar. Anyhows, initially Seurat had entitled the work "**Odeur Mal Du Mon Ami, Le Stinque**," but the buyer requested that all signs of the cur's pungency be dotted out with background color. It was retitled "**Bathers at Asnières**." Which...come on, that's **a lot** less catchy.

FLURP

AH-HERM... IBS is no BS! Now, **Auguste Rodin's** lover, fellow artist **Camille Claudel**, suggested Rodin sculpt stink lines emanating from this statue's testicles. When Claudel got sick of Rodin's real-life rank junk, Rodin swept away her influence. She died in obscurity despite being Rodin's equal, while Rodin became **a legend**! Note the elegant marble waves our restoration department has added here as a deliberate **insult** to his memory.

POOT

LOST & FOUND

Now it's time to **mix things up!** And, say, what's *that* smell? Oh! It's the art world's **racism and sexism** that continues to **this day!**

Here we see a portrait of **Lois Mailou Jones** by my husband, Scott Marvel Cassidy! The reason you need to *Google her* **right now** is that the super-stinky art establishment **rejected** her work. She had to have **white artists** submit it **for** her. That's right, her stink lines are **CONCEPTUAL!**

BRRRT

GIFT SHOP

And here's self-taught artist **Horace Pippin**, unrecognized until after death, a veteran never appreciated by his country. He said, "The war brought out all the art in me." And **your art** brought out the righteous, sphincter-clenching rage in **me**, Horace!

TOOTY-TOOT TOOT!

Yeah, I RAGE-farted. Look this shit up! And yes, I'm a *wealthy white lady* yelling about *privilege!*

Outsider art, indigenous art, differently abled artists... all are **overlooked** by billionaires who crown mostly *white males*. In 2017 only 30 percent of the artists at the Vienna Biennale (the world's most influential art festival) were women. Only 39 percent weren't white. Try wavin' your snooty little hands at **that** cloud. It ain't goin' **nowhere!**

And now everyone's favorite stop on the tour...**THE GIFT SHOP**, which stinks of the illusion that **you** are supporting the arts, when museums are mostly funded by billionaire corporations. Oh wait, this isn't one of **those**—it's a **little gallery** I made myself in an abandoned apiary. And **this** is just an exit.

Now, if you'll excuse me, I have to use the powder room! I've got a **peekaboo yam** on the docket!

The 1950s were a pivotal golden age for stand-up comedians—as you can tell from...well, not this TV series, but old Ed Sullivan Show recordings! Instead of digging up those gems, however, we're guessing you'd rather get some use out of your Amazon Prime membership by streaming...

The Monotonous Mrs. Mazel

WRITER CHARLIE KADAU
ARTIST SAM VIVIANO

I'm Medium "Smidge" Mazel, a young, gorgeous, affluent, educated woman—what's so funny about that? Nothing—that is, until my husband left me. Because despite all that other stuff, being a wife and mother is what defined me! People love to laugh at my self-loathing, psychodrama, and angst—who needs jokes? When I'm on stage it's like being at group therapy, except only I get to talk! And with a family like mine, that's not so hard!

I'm Gamy Slurman-Palomino—I created this series about a time when the only *Gilmore Girl* alive was the evil grandma! Besides the story, I wanted to display the flamboyant women's wardrobes of that era. The only other time you can see such outlandish fashion is when I appear at an awards show!

Hey, Lenny, I'm the future ghost of Joan Rivers! Not that I look like a ghost—this dress makes me look too alive to be on *Fashion Police*! Some say this series is a thinly veiled version of my early career. They've got the sets right, the costumes right, the music right—what they don't have right are facts! Women comics back then had it tough—where's the sexual harassment, the casting couches, the glass ceilings? This show is so inaccurate, it should be on the History Channel!

WHY DID THE CHICKEN CROSS THE ROAD?

LEWIS BLACK

I saw the other day — and I kid you not — a *chicken* trying to cross the road. It may have, in fact, been a great time for road crossing...if you were a f**kin' car! But a *chicken*? A f**kin' *chicken*?! Are you f**kin' kidding me? What is this chicken doing *near* a road? How did this happen? When did chickens decide to travel by *road*? Shouldn't they be traveling — oh, I don't know...near the *farm*?! The next time I see a chicken trying to cross the road, I'm going to take a *spoon* and shove it in my *eye*! Because at least *that* would actually make *sense*!

ELLEN DEGENERES

So the other day I saw this, this chicken, just standing in the middle of nowhere. Which was a, a little weird. And the first thing I thought was, "Why is there a chicken?" Because here's this chicken, but it could have been a turkey or a duck or a Canadian goose or something, but it's a chicken and it looks like it's about to cross. And as I'm thinking all these things, this, this bird is standing right next to a road and it's gesturing with its foot — or is it a claw? — whatever it is, it's heading into the street, so I carefully scoop it up. And I get to thinking, "Where did this chicken come from?" These things aren't from the suburbs. That's when I realize that not only is my little neighbor's birthday party not going well, but his parents aren't getting the deposit back on that petting zoo they rented.

DANE COOK

Why did the chicken cross the road? I mean, what was this fowl doing trying to cross the street? *For what reason* was this *soon-to-be-in-a-KFC-value-meal* crossing a *busy intersection filled with vehicles*? You have *gallus gallus domesticus* — or GGD, as I like to call it — this GGD trying to transverse the street meeting point, if you will, and no one knows why. Thank you!

JAY LENO

Hey, this is a good one. I don't know if you guys heard, but the other day a *chicken* was spotted crossing the *road*. The cops, after capturing the stray chicken, said that the chicken was set loose in an act of *fowl play*. Thank you, thank you... but the real trouble began when the chicken couldn't set bail, because his *nest egg* had already been *liquidated*. Kevin knows what I'm talking about!

WRITER **HARRISON GREENBAUM**

ARTIST **JASON SEILER**

LARRY THE CABLE GUY

I ain't told nobody 'bout this yet, but I gots this chicken back home. I like to name ma pets after the places I intend for them to go, so I call this little critter, "Belly." Nah, nah...his name is "Toilet." That's not right...don't laugh at that...so Toilet here tried to escape one day and I catch him trying to get a ride from some stranger. Fortunately, I had just eaten chicken fingers the other day, so he didn't have nothing to hitchhike with! Lord I apologize for that — that's not right...but Toilet is always trying to cross the road, so I just opened a KFC across the street — scared him right back into the coop! GIT-R-DONE!

BILL MAHER

New rule: from now on, if chickens want to cross the road, at least make it challenging. My brave feathered friends, I dare you to try to cross a road in *Iraq*. If you can find a way to get around all of the civilian casualties, destroyed infrastructure, and dead American soldiers, then the Republicans may just have a job for you.

CARLOS MENCIA

There was this beaner chicken, man, who was always trying to cross the road. 'Course, if this chicken was a full Mexican, he'd have the crossed the road in a car filled with 30 other Mexican chickens! But this beaner chicken couldn't cross the road because this farmer, see, he put a huge ol' fence blocking his way. What a DEE-dee-dee! I mean, everyone knows that climbing a big fence is easy for Mexicans — even the chickens.*
